

## GET MORE OUT OF WINTER WITH CB NORDIC

Crested Butte Nordic is a community owned and operated nordic ski area that grooms 50 kilometers of trails for cross-country skiing and snowshoeing. We offer world-class skiing, right at your doorstep, as well as programs that promote fitness, fun, friends, and family. We serve as a community hub in the winter, providing a place to gather, meet like-minded folks, get outside, and challenge yourself through one of our many events. CB Nordic is truly community owned: we are a 501(c)(3) nonprofit, and the only way we can continue to offer groomed trails, exciting races, and enriching programs is with your support.

### Why Sponsor CB Nordic?

Your donation supports the groomed trails, community programs, and exciting events that support a healthy, vibrant Crested Butte.

Business partners allow us to keep our programs affordable, or even free. They enable us to maintain and grow our trail system. They support outreach programs that get more people—of all ages, abilities, and backgrounds—having fun outside in winter.

Most importantly, Business Partners help us stay connected to the business community. As a community-based Nordic Center, our success is intrinsically tied to yours. We connect you to amenities,

services, and customers that help you thrive and, in turn, your support keeps us thriving. Our Partners, and the feedback you provide, help us stay relevant and responsive as we strive to serve you and the broader community.

We need you. You create a stable foundation for CB Nordic so that we can continue our legacy of being a positive, sustainable pillar of the community.
