Winter 22/23

What's New?

For the winter of 22/23 we are offering programs based on school grade and interest. We will offer a nordic skills/play/fitness track (similar to Challengers, Striders and Gliders) and a backcountry skills/winter survival track (similar to Explorers). Follow our step by step guide on page 4 to pick the right program for your athlete.

*Registration Opens
Sept. 27th @ 10 am*

Register online at cbnordic.org/team

Nordic Track

This track is for athletes interested in cross country skiing. They will learn skills that will allow them to grow towards being a competent nordic skier and put them on a track to pursue nordic racing, if they want. These athletes will focus on building nordic technique, general fitness, agility, balance, and coordination that will benefit them in all the sports they play.

Backcountry Track

This track is for athletes interested in all the winter outdoors has to offer. Opportunities to learn backcountry skiing skills and safety, avalanche awareness, winter survival skills and general movement in the winter outdoors will be included in program curriculum. These athletes will primarily use cross country skis (from the Nordic Center) to accomplish these goals.

Biathlon

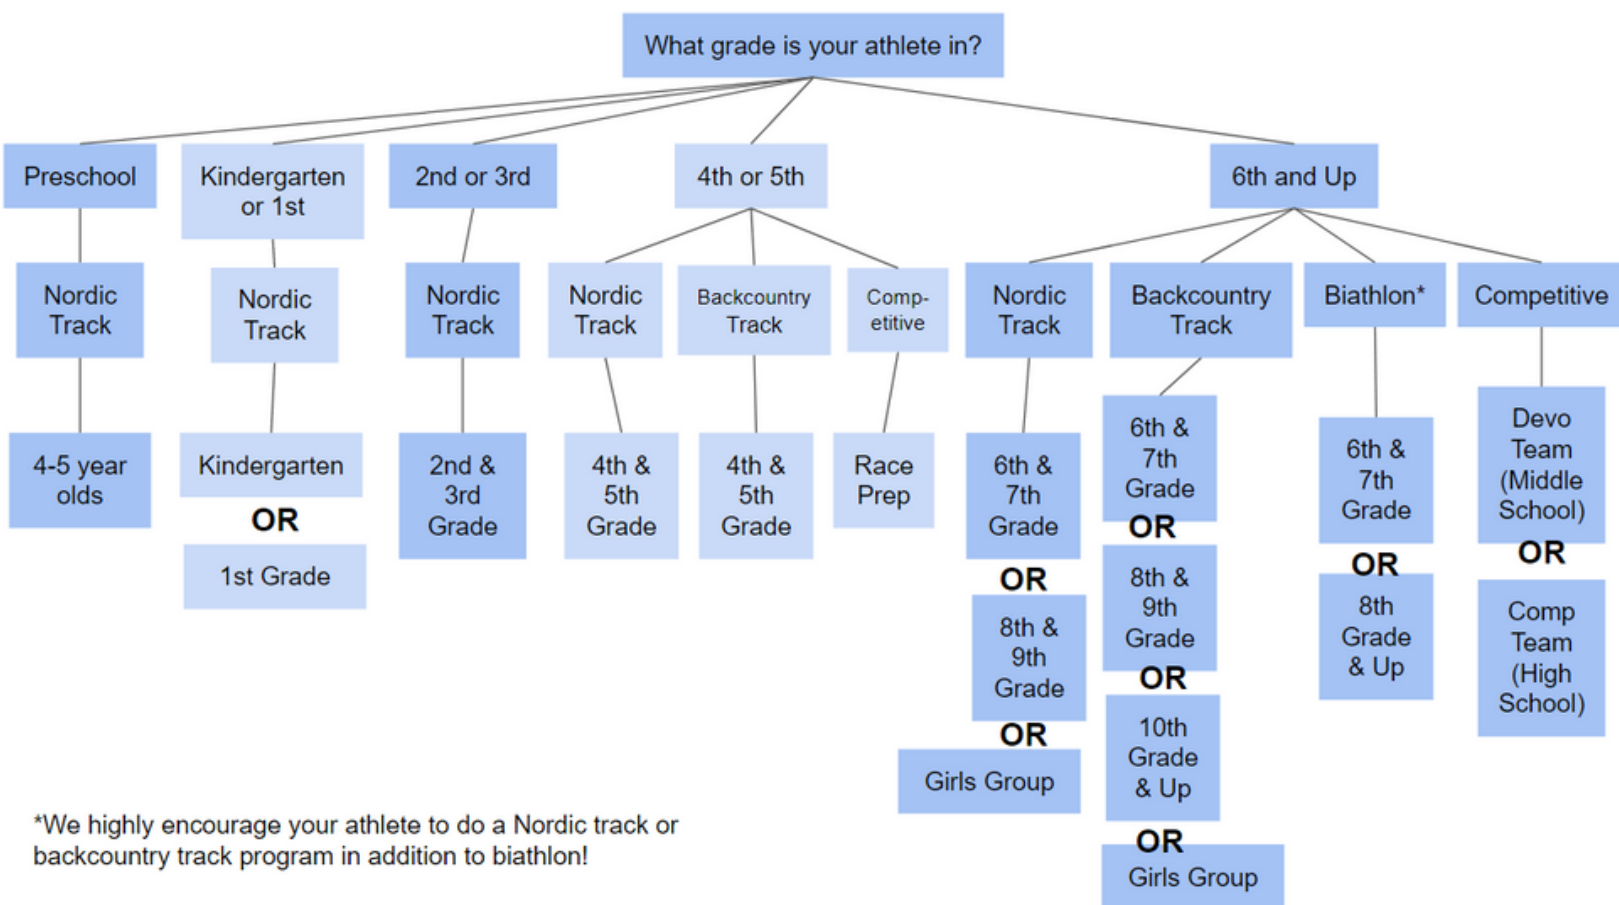

CBNT offers an introductory biathlon program for those athletes interested in this unique sport. Using air rifles and bb guns, athletes learn key skills like marksmanship, controlling heart rate and other unique aspects of the sport. We encourage athletes to sign up for a backcountry or nordic based program in addition to biathlon.

Competitive

This track is for athletes who want to race competitively both in local races and at the state level. The focus of these programs is on race tactics, fitness, technique, strength and includes some individualized training as well. Athletes must be self motivated and excited to work hard and commit to a more intense schedule including weekend racing.

Pick the right program for your athlete!

Follow this step by step guide to pick a program based on your athlete's age and interest!

Gunnison based program available!
For grades 2nd and up

Schedule

Program Track	Group	Session	Monday	Tuesday	Wednesday	Thursday	Friday
